Varsity and Civics are Ready for Big Rugby Game on Saturday Afternoon

Both Squads Were Put Through Hard Work-Outs Last Night, and Will be at Full Strength For the Game. Varsity Intermediate Defeated the Seniors in Yesterday's Practice Game by 6 to 3

With the exception of Stearns, Dykes and Hamussen, the entire Varsity squad was at Diamond park last evening preparing for Saturday afternoon's league game with the University of Alberta. Fifteen players were in uniform, and nearly all of the practice hour was given up to the perfecting of team play. The squad was sent after the tackling dummy for a short drill and the men showed a great improvement in this important department of the game on Saturday. Without exception every man in the squad was at his best at the tackling machine, and if they could make this one of their specialties, the Varsity half backs will have little opportunity to make runs in a broken field.

The new men at last night's practice were Huttich and Hammond. The former has had a long experience with the V.M.C.A. team, and is an ideal build for a number one wing. Hammond played with the intermediate last year, and is a good player for the backfield. Saturday's run up has not been decisive, but upon yet, but will be announced after tonight's practice.

Game Starts at 3 P.M.
The Varsity game with the University of Alberta will be held at Diamond park on Saturday afternoon at 3 P.M. The game will be a very important one, and the Varsity players will be at their best.
